

SAVE THE DATES: LEADERSHIP PROGRAM IN THE HOLY LAND

March 25 - April 8, 2019 15 days

Host: Rev. Dr. Mitri Raheb & the Diyar Consortium

Leaders: Mike Abel & John Lindner

Friends,

We invite pastors, church leaders, educators, and other professionals committed to the struggle for a just peace in Israel-Palestine to participate in this leadership experience. The aim of this program is to gain a deeper understanding of the current realities in Israel-Palestine today as well as to view the Holy Land through a new, biblical/theological lens. This opportunity is open for people already interested in the region, who are committed to making a difference and investing in hope.

This program will explore the question: Where do we go from here on the journey toward peace, human rights and building bridges of understanding? The program will highlight the experience of courageous Palestinians attempting to build a future even in the face of occupation.

The Palestinian Christian community in the 2009 Kairos document sent out a cry to the Christian community abroad saying "Come and See." This invitation is even more urgent today, 51 years after the 1967 war. Come and see the facts on the ground, listen to diverse narratives, be inspired by ministries of hope, and consider future directions for advocacy and support. We hope you will join us for this ecumenical program of faith and learning.
